About This Vehicle Warranty Booklet

As a valued customer, we would like to take the opportunity to introduce you to our Warranty, which is designed to give you peace of mind and ensure your vehicle continues to operate in good order. The purpose of this booklet is to describe our warranty product (“Warranty”) to you. We have prepared this document in a simple and straightforward format to make it easier for you to understand what is covered and what is not covered.

Please take the time to read the guidelines and information in this booklet, which explains the valuable protection this Warranty provides you, subject to the terms and conditions outlined in this booklet.

This Warranty is not a contract of insurance, nor are we insurers. It is not associated with any motor vehicle manufacturer nor is it an extension of a warranty provided by any manufacturer (though you should be aware that the existence of a Manufacturer’s Warranty is relevant to the period of cover that you receive under this Warranty – see the section on ‘Period of Coverage’ below). It is also not an extension of our Statutory Warranty obligations. It is a vehicle warranty provided free of charge to you by OzCar Pty Ltd ABN 98 052 221 299 in respect of the vehicle we have sold you and is incidental to the purchase of the vehicle. This means it is also not a financial product for the purposes of the Corporations Act 2001 (Cth).

“Repair”, “Replace” or “Replacement” means repair of a Failure, to an acceptable working condition including parts, labour, using parts of a like kind and quality. Replacement parts will be of a similar type and quality to those used in your vehicle, taking into account its age, condition and distance travelled.
